Art Majors: Finroo (www.finroo.com) is a quickly growing art based start-up. We were conceived as a wearable art company and we are committed to preserving the integrity and originality of our artwork by limiting, rather than mass producing our content. As an invitation only art company, Finroo works with hand picked, freelance artists to position their designs on our Green friendly, limited edition products. We provide artists with an opportunity to receive highly targeted feedback on their work, international exposure, and large commissions on all their products sold. This is a great system for college students in particular-- they have found it both financially and artistically rewarding. For more info on Finroo, check out: <http://www.finroo.com/aboutus.cfm>.
